ABOUT MEDICARE COVERAGE

The government's Medicare program only pays Doctors of Chiropractic for limited services. If your needed Chiropractic Adjustment meets Medicare's rules, they will usually pay for it. There are three categories of Medicare services: 1)Non covered 2)Always covered and 3)Perhaps covered.

NON COVERED: According to existing Medicare law. Most of the available services in our office are **NON COVERED**. Hopefully, the US Congress will change that someday and treat Doctors of Chiropractic like all other doctors. Until then:

EXAMPLES OF: NON COVERED SERVICES

- Office Visits - to evaluate and manage, re-evaluate advise of counsel.
- Physiotherapy- such as massage, traction, electrical stimulation, neuromuscular re-education, ultrasound
- X-rays, Supplies, Vitamins
- Adjustment on area other than spine - (shoulder, arm, leg, feet)
- Maintenance Care- you are stable and not making any progress
- Wellness Care- to promote better health

NON-COVERED services will appear on your insurance claim form. They will show as a Medicare NON-COVERED service like this: "99213 GY" The 99213 code is for an Examination, the GY code means that it is not covered allowing your service to go through the Medicare system. After being denied by Medicare, it can then go on to your secondary insurance that will pay according to your contract.

ALWAYS COVERED

A typical example of a Medicare COVERED service is when you are in much pain due to a bad spinal condition. You should also expect Medicare to cover and pay for your rehabilitation as long as you are improving. When you have a COVERED chiropractic adjustment, it will be shown on your Medicare claim form and payment reports as either "98940" "98941" or "98942".

PERHAPS COVERED

Your Chiropractic Adjustment must be clinically needed according to Medicare. If Medicare thinks that your condition is not "MEDICALLY NECESSARY" they won't pay. If we know or believe that Medicare will not pay for your Adjustment due to any rules that they might have, we will let you know. We will give you a special Medicare form known as the Advance Beneficiary Notice (ABN)

STATEMENT OF UNDERSTANDING

I understand that I am personally financially responsible for all Medicare NON_COVERED services, I also understand that there could be times when my chiropractic adjustments might not be covered. I am also responsible for any annual deductibles or applicable co-payments as required by Medicare.
